DR. J. FRED ESSIG

Administration and Faculty . . .

Principal . . .

ROBERT L. FLEMING

Robert L. Fleming took the reins of administrative head of South High in 1938 and has handled them carefully and effectively ever since.

His attendance at Ohio Wesleyan and Ohio State University gave him more than adequate background for handling the numerous problems of faculty and student body alike.

Mr. Fleming's sincere interest in all school activities is evidenced by his attendance at almost every school-sponsored function on record.

We, as members of the senior class, wish to thank him for his work in making South High a school that we all can be proud of.

Assistant Principal . . .

Dave Williams, assistant principal and dean of boys, is a former South High graduate of the class of 1916. After completing his work here, Dave went on to Newberry College in South Carolina and later received a Master of Arts degree from the University of Pittsburgh.

Returning to South in 1933 as an assistant coach, he started up the educational ladder, first as dean of boys and in 1947 combined those duties with his present work as assistant principal.

Known to everyone as "Dave", he has won innumerable friends with his cheerful smile, sparkling eyes and effective guidance.

DAVID WILLIAMS

Dean of Girls . . .

MARION MAIDEN

Presenting as a background excellent training at both Wellesley and Western Reserve Colleges, Marion Maiden, dean of girls, offers the "young ladies" of South High sound and adequate advice in their many problems throughout the school year.

In addition, Miss Maiden offers a deep sincerity and understanding of present-day youth which, when combined with her warm and friendly personality, enables her to gain the confidence of everyone.

To aid her in "keeping up with the times" Miss Maiden also teaches senior English classes, a duty which gives her the opportunity of observing the masculine side of our school in action.

One of the more important organizations about school is the motion picture operators. As any teacher will tell you, the group, advised by Mr. Horace Biggs and Mr. John Maharry, is a great supplementary aid to every course in the school. At one time or another, you'll find in Room 220 classes in English, history, language, driving, and the sciences.

The boys must be able to operate the two projectors in the booth, the slide machine with the turntable accompanying it, and be able to splice broken film at a moment's notice.

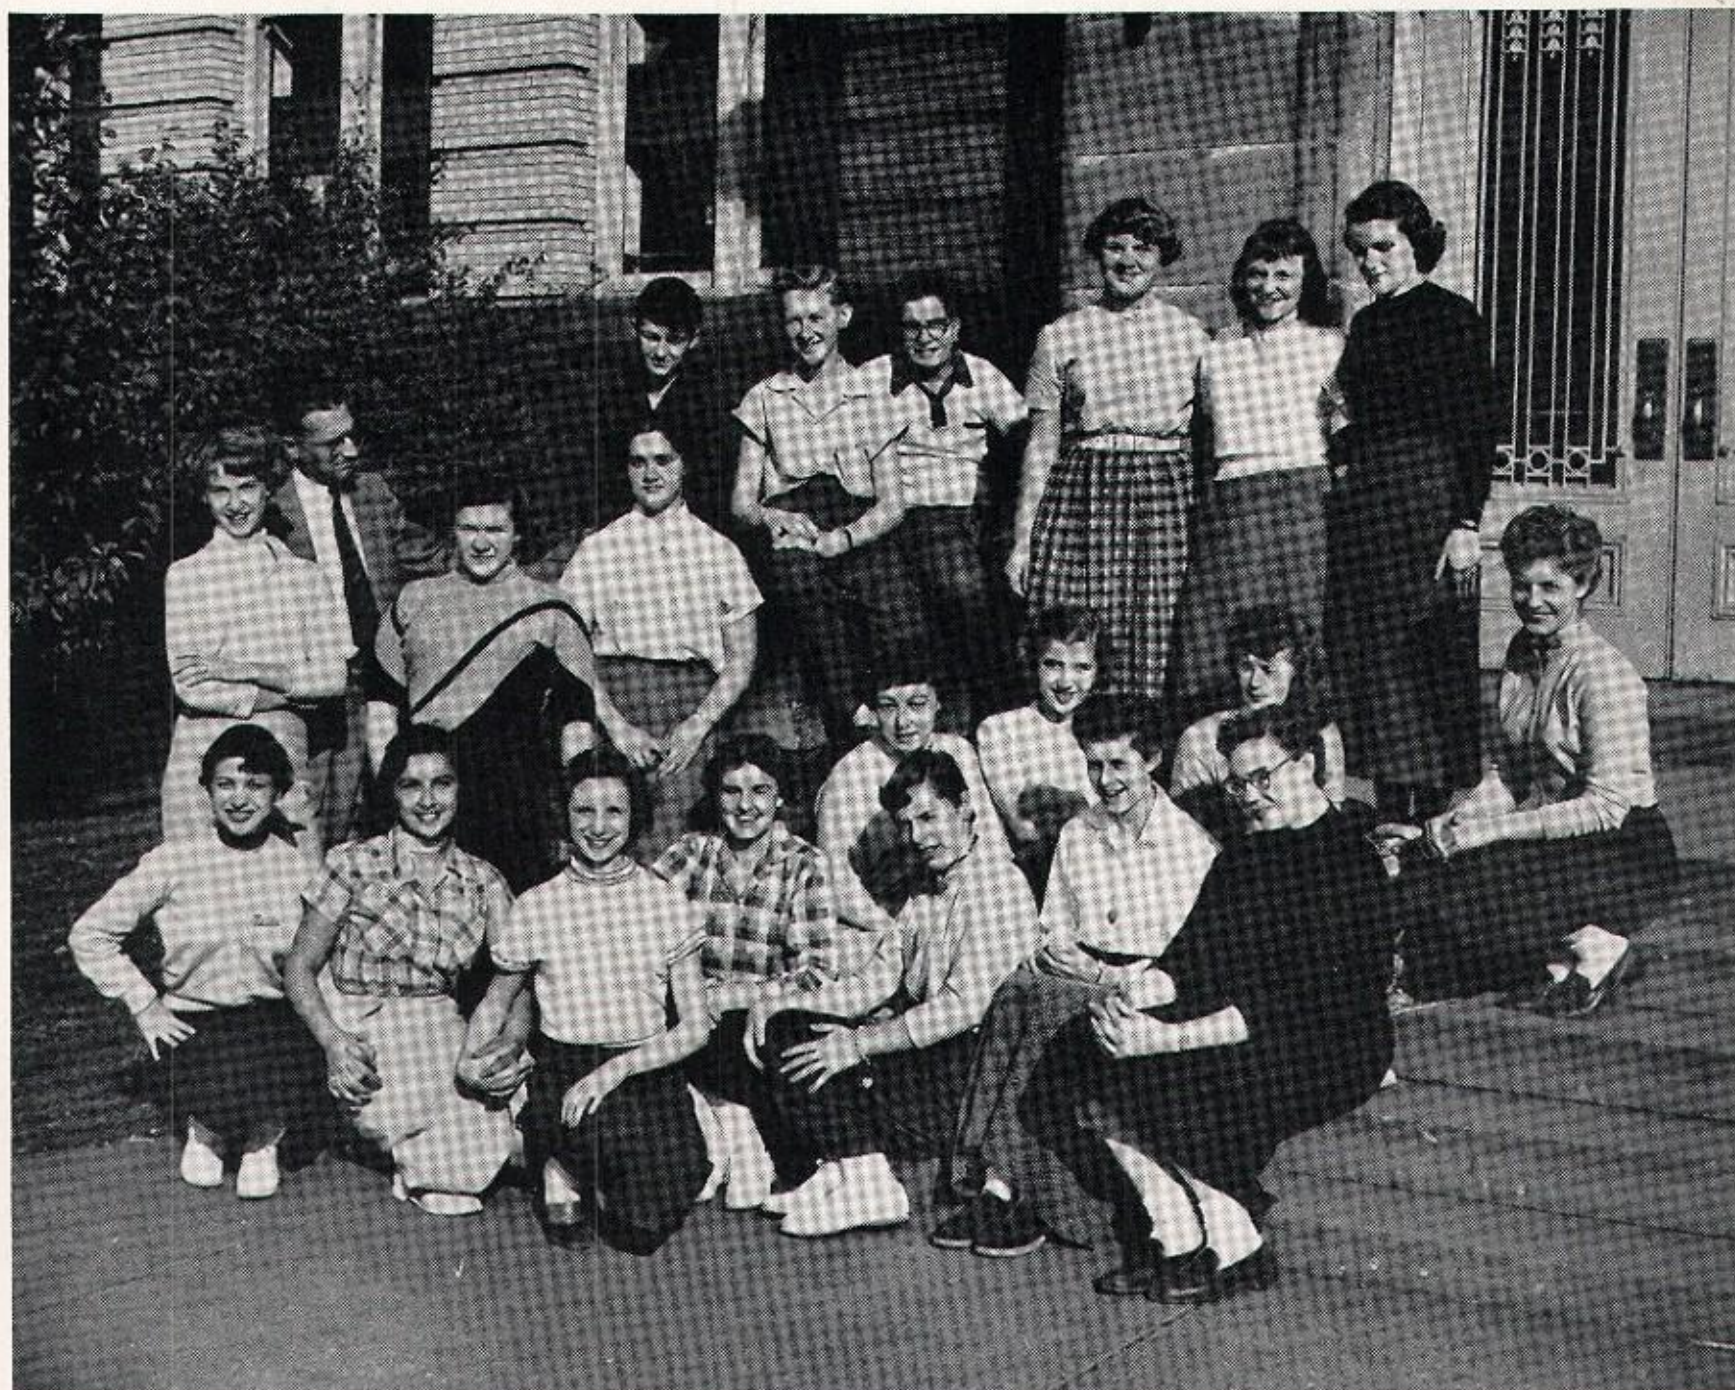

Requirements: reliability and industriousness.

Library Assistants . . .

OFFICERS

The library assistants, under the direction of Mr. John Creager, librarian, and Mrs. Helen Shaw, assistant librarian, supervise a very valuable service to the school. The assistants have many duties: aiding students, collecting books, filing and shelving. They serve five hours a week in the library, which is a pretty heavy load to add to anybody's schedule. Their work also gives them practice in office and library routines and the opportunity to learn how to get along with others.

1st Row: Mary Ann Litavetz, Helen Amon, Ruth Cyphert, Pat Greene, Joan Olejar, Peggy White, Sara Jones.

South High's "Warriors" under the guidance of Coaches John McAfee and Ben Laskin enjoyed a highly successful season as they came through with seven wins against two losses and the city title in their grasp.

Starting out with a loss to East Liverpool, 14-13, the "Warriors" bounced right back the following week to trim Niles, 14-0. Next came a gloomy weekend as East trounced our gridders, 34-7. This seemed, however, to be the turning point as the red and blue then proceeded to wallop Woodrow Wilson, 33-0, defeat unbeaten Campbell Memorial, down North High and trip up Chaney. We even took over a highly-touted crosstown rival, Rayen, with seeming ease, 26-7.

The fitting climax to this string of victories came in the final game of the season as the "Warriors" took control with the opening whistle of the Ursuline fray and soundly walloped "Kimmell and Company" to capture the city title.

Season Summary . . .

South 13 . . . East Liverpool 14

South High's gridgers opened up their 1953 campaign by taking a road trip to East Liverpool where they lost a heart-breaker to the "Potters", 14-13. It was McElroy who hit paydirt for the "Warriors" on two occasions, once on an eight-yard run and in the third quarter on a 46-yard sprint.

South 14 . . . Niles 0

South, scoring in the first and third quarters, won their first game of the season against the Niles "Dragons". Willis Taylor featured in the third quarter with an 85-yard run.

South 7 . . . East 34

South's hopes for a city-series title looked dim after East's "Golden Bears" led by Davanzo with four markers to his credit trounced the "Warriors", 34-7.

South 33 . . . Wilson 0

It was South all the way as the Red and Blue turned a new leaf and lifted some of the gloom of the previous week with a 33-0 win over the "Presidents".

South 13 . . . Memorial 7

Memorial fans were in for a surprise as their undefeated squad fell apart before the onslaught of a power-packed Red and Blue squad lead by "Chico" Mancini who tallied twice.

South 32 . . . Chaney 13

More gloom was dispelled as South's "Warriors" erased Chaney in their bid for a city title, again led by Mancini with three TD's and Durkin and McElroy with one apiece.

South 26 . . . Rayen 7

Durkin, Mancini, McElroy and Chmielewski ran wild to show our cross-town rivals just who was boss in these parts. City title hopes now ran high with one week to go.

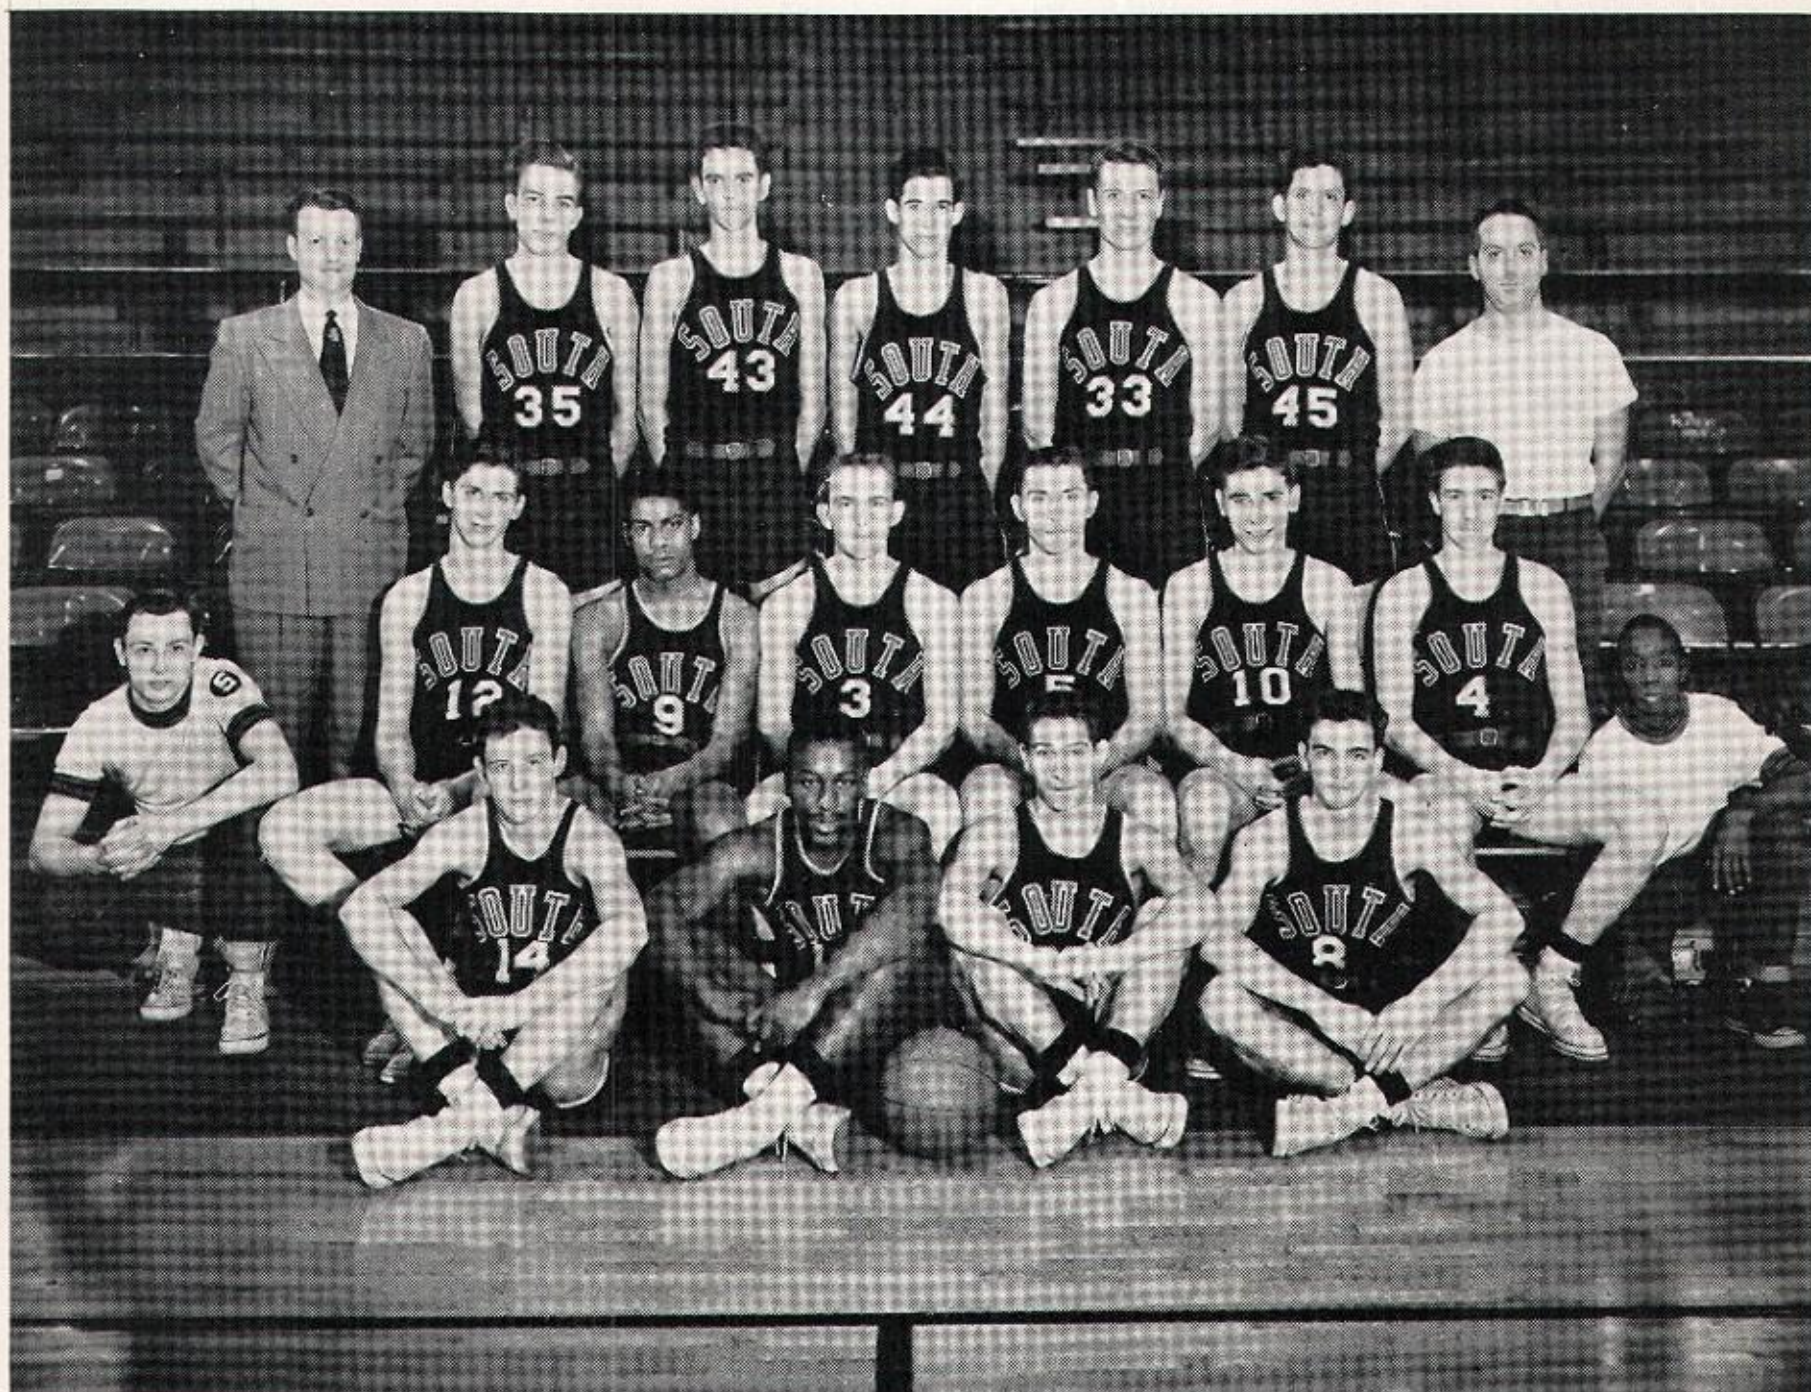

South 28 . . . Ursuline 7

12,500 fans were on hand to witness our last and greatest victory of the season as Souths mighty "Warriors" never gave the Irish a chance to get started. Rouse featured with two tallies followed by Mancini and McElroy with one each . . . WE'RE CITY CHAMPS!

The "Warriors" started the season with many players lacking experience. By the third game we pick up enough to defeat Salem, but then fall back on two Pennsylvania teams and Canton Lehman. The Red and Blue next defeat the "Irish," lose to East Liverpool and wallop Wilson. Then comes a loss to Alliance, followed by three straight wins, preceding three straight losses. The Chaney "Cowboys" down South and the "Warriors" wind up season by gaining a victory over Memorial.

Junior John Sinclair claims scoring honors for the "Red and Blue," racking up 336 points during the season. He also registered the highest single-game total with 30 points and was selected for the All-City Basketball squad.

To play YOUR best you have to play *THE* best. An inferior instrument stifles your talent and "detours" you on your road to musical success. Regardless of the instrument you now play, we know you'll get a *thrill* out of trying one of the new *late models*. Discover for yourself how much easier and better you can play. Give yourself a break. We've got an instrument waiting for you to try. Won't you come in soon?

We've come so far from the Little Red School the place Grandpa left to go out into the world. The simple training that he acquired in that one-room building of long ago was SO vastly different from yours!

Education has leaped right along with the hurried advance of science and industry and youth has discovered complexities early so early that some of the most startling finds in the world of invention today have come from the minds of the very young.

Take the vast store of wisdom that these years of study have given you. Take it right on to new fields of knowledge to college, to business, to the career you choose. Remember that most knowledge has been recorded in books so continue to study, continue to work toward GREATER heights of perfection.

Our best wishes go with you all of the way!
